What is your idea / business and to whom is it addressed?

I've set up a QUARTZ MINERAL MINING PROJECT in India. My company is based in Singapore. Its a big project. Good return.

How should the idea/business earn money?

Good profit.

At what stage is the idea / business at the moment?

It's a start up company.

What do you need?

I need someone to invest in my company and in my QUARTZ MINING project.

(Silica SiO₂), Feldspars and other materials with the capacity of 30000 Metric Tonnes per month.

we deal with FOUR main areas, namely

- 1) Mining
- 2) Manufacturing
- 3) Processing
- 4) Export
