

A PARTNER TO INVEST IN CLINICAL DISPENSARY HERE IN TANZANIA, KIBAHA DISTRICT

Location of the investment: **Kibaha, Tanzania**

Publication: **11.02.2020 07:09**, no. of the advertisement: **1226**

What is your idea / business and to whom is it addressed?

My project is dispensary to provide health and clinic services to patients here in Kibaha district of Tanzania, East Africa. I have two buildings with 11 rooms sufficient for the services. 1 building with 7 rooms has been roofed and grided in Windows and exit doors. The other with 4 rooms not yet roofed. I need a partner who will contribute fund to complete the buildings to usage stage as well as to provide fund for medical equipment and medicines. The after tax profit shall be distributed proportionally to the amount shared by partners

How should the idea/business earn money?

Revenue earned from patients

At what stage is the idea / business at the moment?

Two buildings with 11 rooms are in place. They need renovation as 1 building with 4 rooms, is not even roofed. The other one with 7 rooms, is roofed and grided on Windows and exit doors

What do you need?

I need a partner who will bring fund amounting to USD 90,000.
