What is your idea / business and to whom is it addressed?

We are a start up Construction firm in the philippines. Currently we hve an ongoing consteuction project with the leading property developers here in our country. We are aiming to grow the business and expand by adding numbers of workers to increase the productivity and income profit. Aside from running a construction firm we are also working on a US campaign for verification. It is a small call center that has a huge potential. The campaign has been running for more than 15yrs now.

How should the idea/business earn money?

We are being paid by the accomplishments we deliver in the construction. While BPO earnf hourly rate paid on every verification we make every hour.

At what stage is the idea / business at the moment?

Running.
