

LOOKING FOR AN INVESTOR FOR UNIQUE BASKETBALL INFORMATION SITE

Location of the investment: **London, United Kingdom**

Publication: **21.03.2020 16:18**, no. of the advertisement: **1752**

What is your idea / business and to whom is it addressed?

Our site basketpreviews.com is for people who are looking for detailed informations about basketball matches. We are providing game story, missing players, questionable players, quotes, players stats and other news before the match has been played. These informations are usefull mainly for people who love betting despite we are not connected with gaming area as we are providing only informations from experts (our area is INFOPRODUCT).

How should the idea/business earn money?

By membership of the website - people who pay us can see the informations.

At what stage is the idea / business at the moment?

We are at the start.

What do you need?

Budget for promotion via Google Adwords and FB Ads.
