

FOOTBALL CLUB IN UAE

Location of the investment: **United Arab Emirates**

Publication: **26.04.2020 21:31**, no. of the advertisement: **2092**

What is your idea / business and to whom is it addressed?

The idea is to create / buy a football club in the UAE, the choice of the UAE came due to the lack of procedures and policy currently used to support investors in the sports field, in addition to that private clubs or corporate clubs there are similarities that do not exist, so the market will be open to us, The club with a simple strategy will be in the excellent league within 4 years as a maximum, and here begins the strategy of maintaining the club in the excellent league and development

How should the idea/business earn money?

the football club have a lot of channels that can provide for the club a lot of money like TV broadcast, sponsorship contracts, clothes stores of the club, the Academies of the club, match tickets, the Rewards of the promote, wins, leagues, selling players with good money

At what stage is the idea / business at the moment?

So far it is just an idea awaiting implementation, I have a whole plan and strategy for an idea, plus I have a complete team, we are just waiting for the funds to start the implementation

What do you need?

we need an investor interested in the sport/entertainment investment, will need \$ 700,000 to \$ 1,000,000 to start the project, They pay the amount to the investor within a maximum of 6 years in the form of payments in addition to being the owner of 30% of the project even after the finish of the payments.
