What is your idea / business and to whom is it addressed?

Dear Sir/Madam, first of all let me introduce myself to you, i hope you will understand this my letter/email. I am Ghanaian living in Germany, i have come across your contact in the internet and got interested to contact you for a business purpose, i am into farming, which is crop farming since 2006, i have tried a lot to make the farm moving but due to financial problem it is not easy to make it move. That's why i am looking for business partner, i got 30 acres of land and read to do pottery/poultry farm, the land is on a very good ground and level ground for poultry farming or live stocks. I don't mind of any percentage has long as the land is occupied with lives stocks or poultry. Please contact me if you are interested, we can also arrange for a trip to Ghana for observation. And i guarantee you that is risk free and genuine documentation is attach with. In case 30 acres is less, i can get more lands or acres from the local kingship with genuine and guarantee document. You can watch the website at google www.youngbansi-farm.webs.com or you can just type direct on google for youngbansi farm. Hopping to hear from you soon. With best regard.
