What is your idea / business and to whom is it addressed?

The project has two key objectives. 1. We shall buy traditional old houses in Uganda' s capital city flip and sale as commercial acades and apartments. 2. We shall build average one to two bedroom houses for the low income earners in the various districts in Uganda and each shall be at an agreed low mortgage fees.

How should the idea/business earn money?

1. From sales of flipped and fixed commercial buildings and apartments all throughout Kampala uganda's capital city. 2. Through a long low rate system for the low income earners across the other districts in Uganda.

At what stage is the idea / business at the moment?

I have set up a real estate property brokerage and management company in Uganda

What do you need?

Funding of about \$500,000 and above.
