

INVEST TO OVER GAIN

Location of the investment: **Harrismith, South Africa**

Publication: **02.02.2020 08:00**, no. of the advertisement: **974**

What is your idea / business and to whom is it addressed?

My idea is a local cinema We has excess target that is over excited about this idea and has shown a great interest in it. We have 4 colleges and one university. We are going to showcase new releases and the upcoming soon. The investor is not only going to get interest he/she will also be handed over 20% of company shares after receiving full amount.

How should the idea/business earn money?

Was understand that the key to happy customers is a happy and satisfied employees so we will also invest on paying fairly to our employees Sales will increase among both Target segments as positive word of mouth spread around the town and surrounding cities. The increase of the concessions sales reflects the increased attendance concession sales

At what stage is the idea / business at the moment?

The project is on paper. We have a financial projection. My experience from working at a cinema will contribute a lot and it will help on a key task that represents a cinema We need R35m to R40m

What do you need?

I need an investor to start up a business
