What is your idea / business and to whom is it addressed?

I want to start a booking and touring company. Through the past year I have made huge musical connections.

How should the idea/business earn money?

Putting on music shows in and around all Cities.

At what stage is the idea / business at the moment?

Trying to plan my first show.

What do you need?

I need capital to put into creating a huge event. Once I do one event it will roll into the next one and continue.
